Comments

If you have any comments about the Issues and Options Document or the Sustainability Appraisal please set them out in the box below. If your comments are in relation to a specific question or chapter of the Issues and Options Document then please state which question or chapter your comments relate to.

The A350 Shaftesbury corridor is in the wrong place; it **MUST be moved away from the town**. The Mampitts Bus "Gateway" must similarly be closed in order to prevent the inevitable tragedy of the wildly excessive traffic use of Pound Lane conflicting with pedestrians etc.

Housing needs in North Dorset must be linked to the available **LOCAL** employment needs in order to reduce the continuing explosion of long distance commuting.

Continue on a separate sheet if necessary

Do you wish to be contacted about future consultations relating to the Local Plan Review?
