If you are seeking to make a representation on the **way** in which documents have been prepared it is likely that your comments or objections will relate to a matter of **legal compliance**.

If you are seeking to make representations on the **content** of the documents it is likely that your comments or objections relate to the **soundness** of the plans and whether it is justified, effective or consistent with national policy.

Policy 2 - Core Spatial Strategy

We are very concerned that the Council's Core Spatial Strategy is unsound due to the fact that it proposes leave Stalbridge and all the district's villages in a prolonged vacuum of uncertainty in an anachronistic mode.

On one hand it is acknowledge that Stalbridge and the district's principle villages are sustainable locations where some development will be permitted whilst on the other hand countryside policies will be used for development management purposes until a review is undertaken either through site allocations in part 2 of the Local Plan or a Neighbourhood Plan. This could be several years ahead but what happens in the meantime? It is simply not good enough. Planning should be all about certainty and there is certainly no certainty in this naïve and unsound plan. Furthermore, we also find Policy 20 the Countryside unsound for similar reasons due to the fact that Stalbridge and the villages will be treated as countryside until allocations in Part 2 or a Neighbourhood Plan.

How do we know how long the villages will take to review and settle a Neighbourhood Plan? How long will Part 2 take to resolve? It is several years of uncertainty. The Plan is therefore, in our opinion, wholly unsound.

7

We propose that all settlement boundaries in respect of Stalbridge and the villages are retained as existing until review through Part 2 and/or a Neighbourhood Plan.

9. If you wish to participate in the oral part of the examination please outline why you consider that to be necessary. Please note that the Inspector determines who is heard at the examination.

10. Please outline your comments on the Final Sustainability Appraisal Report or Habitats Regulations Assessment. Comments are not confined to 'soundness' issues, but respondents can express their opinions on the above documents and use it as a reference point on the 'soundness' of the Local Plan.

11. Do you wish to be notified of any of the following? Please tick all that apply. We will contact you using the details you have given above.

- That the Local Plan Part 1 has been submitted for independent examination
- The publication of the recommendations of any person appointed to carry out an independent examination of the Local Plan Part 1
