NDDC LOACL PLAN: COMMENTS FROM MOTCOMBE PARISH COUNCIL.

1. To maintain separation between Shaftesbury and Gillingham, to ensure Motcombe Village retains its own identity.
2. To insure that there is no overdevelopment, and to manage in- filling in the Village.
3. To insure that surrounding towns have suitable Social sustainability before any development is agreed, insuring that residents of the Towns do not need to use the Villages Schools as an over flow, as these places are required for the Children of the Villages.
