Plans to build up to 200 houses on beautiful Crown Meadows (Bryanston Deer Park) have been strongly opposed by locals, with almost 6,000 signing our petition. Proposals for an alternative scheme at St. Mary's Hill, Blandford St. Mary (opp. Tesco roundabout) have now been submitted to the Planning Committee showing the viability & sustainability of the site for the development of up to 200 houses in phase one. Councillors have stated that they will reconsider **both** sites before their final proposal goes to the Secretary of State for approval in the New Year.

Benefits of the St Mary's Hill scheme include: protecting a site of great natural beauty, minimal visual impact on the town's heritage setting, reducing the likelihood of additional traffic congestion. The location of both sites is clearly shown overleaf.

YOU CAN CHOOSE! a) Fill out the questionnaire below & deliver to a Bryanston Park Preservation Group pick-up point at the Tourist Office, Colin's Community Club, Valentine Gallery, Dorset Larder, Spar, Papyrus or The Hambleton Gallery
