Part B – Representation

The North Dorset Local Plan 2011 to 2026 Part 1 and its supporting documents have been published in order for representations to be made prior to submission to the Secretary of State for examination. The purpose of the examination is to consider whether the Local Plan complies with the **legal requirements** and is **'sound'**.

If you are seeking to make a representation on the **way** in which documents have been prepared it is likely that your comments or objections will relate to a matter of **legal compliance**.

If you are seeking to make representations on the **content** of the documents it is likely that your comments or objections relate to the **soundness** of the plans and whether it is justified, effective or consistent with national policy.

Further information on the matter of legal compliance and the issue of soundness can be found in the 'Guidance Notes for Making Representations'.

I object to the development of the fields between Bay Fields and Bay. How can the narrow roads of Bayfields and Barnaby Mead be expected to SAFELY accommodate vehicles from/to 50 more residences. It has already taken on development. I have driven around other estates in other parts of the town and laboured to get around parked cars and utility vehicles. Do we really want more of that for our town. No.

Due to poor visability to the right and the narrow busy High Street there is already a problem with vehicles entering the High Street from this area. Does the council want to be held liable for accidents in the future.

Please don't turn this part of the town into another one of the sprawling soul less housing estates that are seen elsewhere in the town. Leave it as it is, still having the old town feel and character.

11. Do you wish to be notified of any of the following? Please tick all that apply. We will contact you using the details you have given above.

- That the Local Plan Part 1 has been submitted for independent examination
- The publication of the recommendations of any person appointed to carry out an independent examination of the Local Plan Part 1
- The adoption of the Local Plan Part 1.
