(Please refer also to the attached statement on behalf of Lightwood Strategic Ltd)

Objective 5 (Meeting the District's Housing Needs) aims *'to deliver more housing, including more affordable housing that better meets the needs of the District...'* with the *'vast majority of needs'* met in the District's four main towns and provision elsewhere focused on meeting local housing needs.

This objective does not commit the Council *'to boost significantly the supply of housing'* (and) *'to ensure that their Local Plan meets the full objectively assessed needs for market and affordable housing in the housing market area'*, which is the requirement of national policy (NPPF paragraph 47).

7. What change(s) do you consider are necessary to ensure that the Local Plan is legally compliant and sound? It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

(Please refer also to the attached statement on behalf of Lightwood Strategic Ltd)

To make the plan sound, the following modifications are proposed:

- Modifications to Policy 2 to include Stalbridge as a fifth *'main town'* and one of the District's service centres; to delete Stalbridge from references that include it with the District's villages and countryside in policy terms; and to include a commitment to define a revised settlement boundary in Part 2 of the Local Plan.
- Modifications to Policy 6 to include Stalbridge with an allocation for about 240 homes.
- Modifications to Policy 20 to exclude Stalbridge from the countryside and to include reference to a defined settlement boundary for Stalbridge.
- A new policy and inset diagram for Stalbridge, as outlined in paragraph 18 above; similar in form to Policies 16 to 19 including policy commitments to define a revised settlement boundary in Part 2 of the Local Plan and to review the Conservation Area boundary (under Section 69(2) of the Planning (Listed Building and Conservation Areas) Act 1990).
- Consequential modifications to Policies 2, 6, 9, 20 and other text in the Plan to add references to Stalbridge as a settlement with a defined boundary and to delete references that associate Stalbridge in policy terms with the District's villages and countryside.
- Overall housing requirements should be re-assessed with the aim of improving access to housing and affordability.
- The plan period should be extended to 2031.

Yes, I would like to participate in the oral examination

9. If you wish to participate in the oral part of the examination please outline why you consider that to be necessary. Please note that the Inspector determines who is heard at the examination.

10. Please outline your comments on the Final Sustainability Appraisal Report or Habitats Regulations Assessment. Comments are not confined to 'soundness' issues, but respondents can express their opinions on the above documents and use it as a reference point on the 'soundness' of the Local Plan.

11. Do you wish to be notified of any of the following? Please tick all that apply. We will contact you using the details you have given above.
