POST ROOM

Dear Mr James

Re: Proposed extension to the area for housing
growth, south east of Standford St. Mary

Thank you for your letter and for
showing me the proposed area for
housing. I wish to register my
deep concern to the extension and to
the original area.

I am very aware of the need for more
housing and do not want to be
dismissed as a NIMBY - but believe
this is not the right place. Standford
St Mary will be swallowed by the
development and trivial things that
may seem to others - it is important to
the residents.

I would assume that there would
be another school there and a doctor's
surgery - because the existing provision

would not support the increased demand.

As it is the traffic on the 350 + 354 is often heavy and there are pollution and safety issues. Any new building would dramatically increase this to the detriment of all.

These sites are not the only ones in the area. Please decline this proposal.

Yours sincerely
