**We are applying for an annual licence for one '4 day event' taking place in either June or July**

Gaunts is a 15 acre country estate with mansion house and outbuildings. The festival site is located on the grounds at approx 5 min walk from the house and is separate from the house itself.

The main arena of the festival site is surrounded by woodland making it quite shielded for noise and the nearest residential property is 0.65 km away.

There are water pipes feeding the site and compost toilets located there.

Next to the site are two large camping fields for festival goers to camp.

The festival itself is a 4 day family event with live bands, DJ stage, speaker and comedy stage, workshops and kids area. There will be a healing field offering therapies and local traders will be on site to sell both food and wares relevant to the festival.

The theme of the festival is to look at alternative medical paths and outlooks on life, our relationship with Mother Nature and what practical rather than political solutions to today's challenges of modern life might be... and provide a platform for open discussion around this.

If 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend.

#### **b) The prevention of crime and disorder**

We will have a 24 hour professional security team on site at all times who will respond to any incidents that of presumed criminal behaviour. In the case of disorder those persons will be escorted off site as being in breach of ticket terms and conditions. Please refer to section 14 and 15 of the event plan.

If it is suspected a crime has been committed the security will inform the police as appropriate and it has been written into the ticket t and c's that all festival goers give their consent to being filmed in the event of disruptive or criminal activity.

#### **c) Public safety**

We will insist all traders are compliant with showing us their insurance, PAT testing , gas safety certificates and, if appropriate, DBS checks.

There will be fencing around generators to prevent public access.

There will be extensive fire extinguishers placed around site as detailed by section 9 of our management plan and an appointed fire officer on site.

We will have a 24 hour paramedic team with onsite equipment and treatment area to deal with any incidents requiring medical intervention who have an extensive knowledge of local hospitals and services should they be needed.

We have an evacuation plan should one be needed as detailed in section 3 of our event management plan.

We will have car park stewards monitoring all on site vehicles and strict controlled access to the site to prevent public from possible injury.

#### **d) The prevention of public nuisance**

We have restricted liquids and no glass policy to prevent the misuse of alcohol or related incidents that may fuel nuisance behaviour.

Challenge 25, shall be operated where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence or passport or holographically marked PASS scheme identification cards to prevent youth alcohol consumption.

We will not serve to anyone who appears to be under the influence of alcohol to a degree where it might cause harm to either themselves or those around them.

This is included in section 7 of our event management plan.

#### **e) The protection of children from harm**

Under 16s must be accompanied by an adult over the age of 21. Security staff will be advised to request identification to establish age of ticket holders if they believe them to be under 16. In the event an unaccompanied ticket holder is unable to prove they are 16 or over, they will not be permitted to enter the site.

There will be a lost child policy as detailed by section 13 of our event management plan which states that responders will be DBS checked and the identity of the child kept safe by use of a code word to the core team.

No one person will be alone with a lost child or indeed any child activities.

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
