Matter 2/2

No

The councils have stated in KS3 of the Schedule of Proposed Changes to the Core Strategy Pre-submission Document, that they will “carefully monitor the delivery of housing and if this falls significantly below the housing target set out in this Policy, the Councils will undertake a partial review of the Core Strategy” (annual Completions Survey)

In our view, that could result in further changes to the Green Belt boundary within and beyond the Plan period.

CONCLUSION (to make sound)

Once new Greenbelt boundaries have been approved within the Core Strategy, these boundaries must “endure beyond the Plan Period (see NPPF para 83) and Keep Wimborne Green would want a moratorium on further Greenbelt development for at least 50 years.
