N/A

Q9: 7. What change(s) do you consider are necessary to ensure that the Local Plan is legally compliant and sound? It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

I believe that insufficient attention has been given to the requirement for healthcare in view of the proposed large increase in population in Shaftesbury and Gillingham.
The nearest major hospitals are in Salisbury and Yeovil with Dorchester even further from population centres in Shaftesbury and Gillingham.
The Memorial hospital at Shaftesbury provides an excellent service but it is very limited due to the size of the hospital.
Serious consideration should be given to provision of a new general hospital in Gillingham which would then be able to serve North Dorset as well as adjoining areas of Somerset and Wiltshire. People living in this part of the country have to make far too long a journey to receive hospital treatment and with the lack of rural transport this is becoming an increasing problem

Q10: 8. If your representation is seeking a change, do you consider it necessary to participate in the oral part of the examination?

No, I do not wish to participate in the oral examination

Q11: 9. If you wish to participate in the oral part of the examination please outline why you consider that to be necessary. Please note that the Inspector determines who is heard at the examination.
