**Policy 20: The countryside**

We welcome the commitment to confine development to the four main towns in North Dorset within policy constraints.

**Para. 8.186 Rural exceptions**

Isolated dwellings "of exceptional quality or innovative design" should be truly exceptional. They are just as intrusive and destructive of landscape as any other development and the same arguments about non-sustainability due to lack of services and non-car transport apply as to any other dwelling in the countryside.

*Continue on a separate sheet if necessary*

7. What change(s) do you consider are necessary to ensure that the Local Plan is legally compliant and sound? It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Re-word Policy 20 and para. 8.186 to make it clear that such dwellings will be truly exceptional and that availability of services, public transport etc will be taken into account.
