6. Please give specific details of why you consider the Local Plan has not been prepared in accordance with the Duty to Co-operate, legal or procedural requirement or why you consider the plan to be unsound. Alternatively, if you wish to support any aspects of the plan please also use this box to set out your comments.

As set out in the accompanying report, Neal's Yard Remedies considers the Local Plan unsound.

Paragraph 8.78 – given that the identified land at Neal's Yard Remedies in Peacemarsh is vacant, it is unreasonable to allocate it for employment uses and thus prevent other more valuable uses being located on site.

Due to the oversupply of employment land in Gillingham and North Dorset as a whole, it is unnecessary to restrict the uses of the site to employment. Notwithstanding this, Neal's Yard Remedies will remain on site, and are planning to expand.

Policy 17 is considered unsound as it does not allow flexibility to alter housing levels in Gillingham should the Urban Extension not deliver houses as quickly as it was planned, particularly given that at the time of these representations, the Council has not agreed a detailed delivery plan for this major site.

Restricting development of a previously developed site for employment uses which are neither viable nor necessary is considered unsound.

Continue on a separate sheet if necessary

7. What change(s) do you consider are necessary to ensure that the Local Plan is legally compliant and sound? It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The reference to NYR in paragraph 8.78 should be removed or the types of uses widened to include residential, whilst maintaining employment uses on the site.

Policy 17 criteria 'm' should be amended to say 'An element of employment development shall be retained at Neal's Yard Remedies, however should any part of the site remain vacant, other alternative uses (including residential) may be justified...'

Continue on a separate sheet if necessary

8. If your representation is seeking a change, do you consider it necessary to participate in the oral part of the examination?

No, I do not wish to participate in the oral examination

Yes, I would like to participate in the oral examination
