

Fontmell Magna Neighbourhood Plan

Questionnaire

Pre-Submission Consultation: 2nd October – 20th November 2017

The draft Neighbourhood Plan has been produced by volunteers in the Working Group and is based on extensive consultation with parish residents on their needs and aspirations. This pre-submission consultation acts as a final check before the draft and associated documents are submitted to the Local Council and then put forward for approval by parish residents in a **referendum** next year. Once the Plan is adopted, planning applications will have to take account of the policies in the Neighbourhood Plan.
