

Updated 31st July 2013 issue 5 added

Previously developed site in the green belt

1. VTSW7 St Leonards Hospital
 - Does the policy set out a robust strategy to ensure that any future development avoids harm to the SNCI priority habitats on the site and to the adjacent SSSI and Dorset Heaths?

Areas of potential change

2. WMC7 Leigh Park Area of Potential Change
 - Is there any realistic prospect that part of this area could be used for some housing development to meet local needs?

Historic Heritage

3. Policy HE1 Protection of local historic and archaeological interest
 - Is the Policy heading coherent?
 - Is the Policy consistent with the NPPF?
 - Is the Policy internally consistent?

Open Space Provision

4. Appendix 1
 - Do the guidelines for open space provision allow sufficient flexibility to allow for individual site circumstances?

Druitt Hall

5. To address concerns raised by local residents
