					Full public access	Limited access (describe)	Views only (private)			Planning consents / allocations?	Landowner contact
1	The Green	The Green is central to the village, both in terms of location and heritage. It is a 'lung' for the village, equivalent to many villages central 'green'. It is occupied by many old and much loved trees, which support wildlife. The Conservation Area Appraisal notes that the Green's triangular grassed and treed space is visually important.	Yes	Mentioned frequently in response to the 2016 household survey.	No	n/a	Yes	Yes	Yes	No current / recent applications	Trustees for the Brymer / Ilsington Estate - objection raised and considered, no changes made
2	Recreation Park	The park is the main recreation area for the village with Pavilion and changing rooms, as well as a children's play area. It hosts cricket, football, 5 aside football and tennis matches.	Yes	Mentioned frequently in response to the 2016 household survey.	Yes			Yes	Yes	2016: relocate car park; enlarge play areas, improve pedestrian access.	Parish Council - no objection
3	Butt Close Recreation Park	This recreation area was built to serve children who live in the Butt Close / Whitehill / Brymer Road following significant housing construction there. It is dedicated to younger children who cannot easily get to the main recreation area.	Yes	Evidence collected by the Parish Council during efforts to renovate the area.	Yes			Yes	Yes	No	Magna Housing - no response
4	Catmead grass space	This green space provides a landscaped setting and set-back for the houses fronting onto the busy Blandford Road, creating an attractive entrance into the village and a pleasant space to wait at the bus stop and for informal play.	Yes	Mentioned in response to the 2016 household survey, and supported at pre-submission draft stage.	No - Catmead residents only	via public rights of way that cross the LGS		Yes	Yes	2004: original consent and S106 agreement	Catmead Management Company Limited - objection raised and considered, no changes made (other than to clarify private land)
5	Brymer Road grass space	The green spaces are divided into 2 main areas, one at the connection of Brymer Road and Whitehill, the other towards Butt Close. They provide a green 'lung' for the residents of this area, which is characterised by otherwise intensive c20 housing.	Yes	Supported at pre-submission draft stage.	Yes			Yes	Yes	No	Magna Housing - no response
6	The Coombe, including land to the east of the Middle School	This piece of land is one of the best 'holloways' in the area, with numerous trees creating a tunnel of vegetation. It is very well known within the parish, and held in high regard by residents, who use it to access Puddletown Forest. Further down the Coombe, to the east of the Puddletown Middle School is a well-used footpath surrounded by natural vegetation that provides an attractive 'wild' alternative route between Coombe Road and the school.	Yes	Mentioned in response to the 2016 household survey, and supported at pre-submission draft stage.	Yes			Yes	Yes	No	Puddletown Area Parish Council, Salisbury Diocese and Lorna Chinniah contacted. LC objected and in response to points made the site area was adjusted to exclude this area of private garden
7	St Mary's church yard	St Mary's church yard is another 'green lung' for the village, also providing peace and a place for quiet contemplation for many residents. Forms the setting of the Grade I Listed church and many of the separately listed tombs and monuments.	Yes	Mentioned in response to the 2016 household survey, and supported at pre-submission draft stage.	Yes			Yes	Yes	No	Salisbury Diocese contacted - no response (email acknowledged)
8	Riverside land	The Riverside area, off Little Lane (track) to the east of the Blandford Road, constitutes an important walking area for residents, and supports a wide range of wildlife.	Yes	Footpath from which the views are gained mentioned in response to the 2016 household survey, and supported at pre-submission draft stage.	No	n/a	Yes	Yes	Yes	No	Colin Bowden - no objection
9	The Moor	The Moor provides an important green area rich in vegetation and protects the houses on the Moor from the vehicle traffic on the Blandford Road, providing an appropriate setting to No.s 3-8 The Moor which are Grade II Listed. It is part of a S106 obligation of planning permission 1/E/03/000254 (as private open space)	Yes	Mentioned in response to the 2016 household survey, and supported at pre-submission draft stage.	No - Moor residents only	n/a	Yes	Yes	Yes	2017: modification of a Section 106 obligation refused (WD/D/17/0610)	Southern Property Development - objection raised and considered, no changes made (other than to clarify private land)
10	Article 106 land adjoining Greenacres	The area of natural land to the west of the Greenacres estate is protected by a S106 agreement (ref 1/E/2000/0329). It is rich in wildlife, and provides a natural buffer for the houses of Greenacres.	Yes	Mentioned in response to the 2016 household survey, and supported at pre-submission draft stage.	No	n/a	Yes	Yes	Yes	2001: original consent and S106 agreement	Nicholas Needham - no response
11	Puddletown Forest	Puddletown Forest lies to the south west of the parish. It is an area of managed woodland and natural heathland, also used by many for many and varied recreations(walking, horse riding, bike riding). It is rich in wildlife and vegetation. It also has a rich heritage, being mentioned several times in Thomas Hardy's writings, and housing Thomas Hardy's birthplace.	Yes	Mentioned frequently in response to the 2016 household survey.	Yes			Yes	NO	No	No - LGS not considered to be applicable given site size
