No mention of the identification of potential burial land. Gillingham has less than 5 years, in reality 3 years) worth of burial land left. Suitable burial land is hard to find with three rivers and their flood plains converging on the town. Surrounding land is either water-logged or earmarked for development (SSA) or future potential build.

Q9: 7. What change(s) do you consider are necessary to ensure that the Local Plan is legally compliant and sound? It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The identification of burial land should be an essential part of the forward planning of towns and parishes across the county, through the District Wide Local Plan (sites initially identified through Neighbourhood Plans).

Q10: 8. If your representation is seeking a change, do you consider it necessary to participate in the oral part of the examination?

No, I do not wish to participate in the oral examination

Q11: 9. If you wish to participate in the oral part of the examination please outline why you consider that to be necessary. Please note that the Inspector determines who is heard at the examination.
