The North Dorset Local Plan 2011 to 2026 Part 1 and its supporting documents have been published in order for representations to be made prior to submission to the Secretary of State for examination. The purpose of the examination is to consider whether the Local Plan complies with the **legal requirements** and is **'sound'**.

If you are seeking to make representations on the **content** of the documents it is likely that your comments or objections relate to the **soundness** of the plans and whether it is justified, effective or consistent with national policy.

Further information on the matter of legal compliance and the issue of soundness can be found in the 'Guidance Notes for Making Representations'.

If you need help completing the response form please see a member of the Planning Policy Team at one of the consultation exhibitions or call 01258 484201.

------------------------------------	--------------	---------------

3. Do you consider the Local Plan to be legally compliant and prepared in accordance with the Duty to Cooperate, legal and procedural requirements?

- Yes No

4. Do you consider the Local Plan to be 'sound'?

- Yes No

5. If you consider the Local Plan to be unsound please specify your reason(s) by ticking the box(es) that apply below

- It has not been positively prepared
- It is not justified
- It is not effective
- It is not consistent with national policy

6. Please give specific details of why you consider the Local Plan has not been prepared in accordance with the Duty to Co-operate, legal or procedural requirement or why you consider the plan to be unsound. Alternatively, if you wish to support any aspects of the plan please also use this box to set out your comments.

Para 3.49 – 3.52 Using Neighbourhood Planning to Meet Local Needs in the Countryside

Whilst the principle of Neighbourhood Plans is supported and is consistent with the NPPF, it is not clear what contribution to the overall housing requirement they are intended to make. Neighbourhood Plans are to be prepared so that they are consistent with the Local Plan. As stated in the NPPF, the ambition of the neighbourhood should be aligned with the strategic needs and priorities of the wider local area. *“Neighbourhood Plans must be in general conformity with the strategic policies of the Local Plan... Neighbourhood Plans should reflect these policies and neighbourhoods should plan positively to support them.” (para 184 of the NPPF).*

It is noted that there are already 4 designated Neighbourhood Plan Areas, but two of these are for the main towns.

The Plan states in Figure 5.1 that at least 230 dwellings will be in the countryside (including Stalbridge and the Villages) this amounts to 5.4% of the development for the whole plan period, which is only about 15 dwellings a year across the district in a mainly rural district.

The other issue is the cost of resourcing the preparation of Neighbourhood Plans which have to be prepared, consulted on and are subject to Examination. Whilst the District Council can provide advice and assistance, this does not extend to financial advice. There is a national fund where grants of up to £7,000 per parished area can be available upon application, but this will only provide a small amount of assistance compared with the cost of the preparation of a Neighbourhood Plan.

Continue on a separate sheet if necessary

7. What change(s) do you consider are necessary to ensure that the Local Plan is legally compliant and sound? It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Apart from meeting essential rural needs there needs to be a policy which provides the framework for development in the larger villages, this is particularly important in a rural district where there are significant affordable housing issues as outlined in response to paras 5.12 – 5.14.

Continue on a separate sheet if necessary

8. If your representation is seeking a change, do you consider it necessary to participate in the oral part of the examination?

- No, I do not wish to participate in the oral examination
 Yes, I would like to participate in the oral examination

9. If you wish to participate in the oral part of the examination please outline why you consider that to be necessary. Please note that the Inspector determines who is heard at the examination.

The issues raised in our objections relate to the soundness of the plan in respect of the plan period and the housing requirement and the strategy for the villages.

10. Please outline your comments on the Final Sustainability Appraisal Report or Habitats Regulations Assessment. Comments are not confined to 'soundness' issues, but respondents can express their opinions on the above documents and use it as a reference point on the 'soundness' of the Local Plan.

11. Do you wish to be notified of any of the following? Please tick all that apply. We will contact you using the details you have given above.

- That the Local Plan Part 1 has been submitted for independent examination
 The publication of the recommendations of any person appointed to carry out an independent examination of the Local Plan Part 1
 The adoption of the Local Plan Part 1.
